HELP ENGLAND TOUCH GROW EARN YOURSELF MONEY

- ★ **Touch is growing rapidly** with more players, clubs, representative teams and volunteers than ever before
- ★ **Our resources are limited** meaning that future development is built on the hard work of volunteers and dedicated individuals
- ★ **We want to continue to grow Touch** at all levels
- ★ **We need sponsorship income** to help us achieve our ambitions
- ★ **Any investment helps**, from funding schools development officers and improving our club tournaments to making it cheaper to represent regions and England

It is this simple to earn a reward

- 1 Make an introduction
- 2 If this introduction turns into a sponsorship deal you get 10 percent of the money as a commission

WE ARE ALL #ONEENGLAND YOU CAN MAKE A BIG DIFFERENCE!
